

# Woodruff Elementary 4th Grade Essentials

## First Trimester (August 18- October 1)

### Language Arts

I can read at grade level.

I can create an inference after reading a grade level text and justify it with evidence from the text.

I can use strategies to identify the meaning of an unknown word.

### Math

I can fluently add multi-digit whole numbers using the standard algorithm.

I can fluently subtract multi-digit whole numbers using the standard algorithm.

## Second Trimester (October 2 - February 4)

### Language Arts

I can read at grade level.

I can create an inference after reading a grade level text and justify it with evidence from the text.

I can use strategies to identify the meaning of an unknown word.

I can identify the main idea and topic of a text with supporting details.

I can identify a theme of a text with supporting details.

### Writing

I can write an opening paragraph that addresses the prompt.

I can write a body paragraph.

I can write a concluding paragraph.

### Math

I can fluently add multi-digit whole numbers using the standard algorithm.

I can fluently subtract multi-digit whole numbers using the standard algorithm.

I can find the product of a four digit number by a one-digit number.

I can find the product of a two-digit number by a two-digit number.

I can find a whole number quotient and remainder with up to four-digit dividends and one-digit divisors.

I can explain if a fraction is equivalent to another fraction and generate my own equivalent fraction.

I can solve multi-step word problems using whole numbers and having whole-number answers using the four operations

### **Third Trimester (February 5 - May 27)**

#### **Language Arts**

I can read at grade level.

I can create an inference after reading a grade level text and justify it with evidence from the text.

I can use strategies to identify the meaning of an unknown word.

I can identify the main idea and topic of a text with supporting details.

I can identify a theme of a text with supporting details.

#### **Writing**

I can write an opening paragraph that addresses the prompt.

I can write a body paragraph.

I can write a concluding paragraph.

#### **Math**

I can fluently add multi-digit whole numbers using the standard algorithm.

I can fluently subtract multi-digit whole numbers using the standard algorithm.

I can find the product of a four digit number by a one-digit number.

I can find the product of a two-digit number by a two-digit number.

I can find a whole number quotient and remainder with up to four-digit dividends and one-digit divisors.

I can explain if a fraction is equivalent to another fraction and generate my own equivalent fraction.

I can solve multi-step word problems using whole numbers and having whole-number answers using the four operations
